Hello folks

My Anaconda team and I would like to check in with you all sometime before Tuesday of next week if at all possible. We are scheduled to have a face to face meeting with Nevada next Tuesday to attempt to resolve the issues I flagged in my last letter to them (attached). John and I discussed with Kell earlier today. We would appreciate hearing your perspective on the issues we have flagged and any potential ideas for resolution based on your experiences nationally.

I will ask Christina to schedule a 60 minute call if possible tomorrow or Monday.

Thanks

Enrique

Thanks for your email Kell

Here's a letter response to Nevada from me regarding the remaining issues as i have described them to you in our recent telephone conversations. I am proposing a meeting next week with NDEP to work out these issues. I know ARC (genovese) has reached out to our acting RA for a meeting next week.

Happy to discuss anytime if you have questions.

Enrique

Hi Greg,

On behalf of Enrique, please find a letter regarding the deferral of the NPL listing of the Anaconda Mine site. The letter proposes that EPA and NDEP sit down in person or on the phone next week to address the remaining issues that need to be resolved before EPA can make a final decision on deferral.

Here are some dates that work for us:

Wednesday, November 15

Thursday, November 16 after 11am

Friday, November 17

Please let me know what works best for you.

Thanks.

Angeles
